School Development Plan

Inspiring children through excellence

When we met in January we shared our school development plan

In September the SDP had four strands

- Deliver effective leadership across the school
- Improve outcomes for all pupils
- Deliver effective teaching and learning
- Deliver high quality opportunities for personal development, behaviour and welfare for our pupils

Now we have our Ofsted report, the SLT will update the SDP aims accordingly

Contacting the school

- Parents and carers should communicate with their child's class teacher or relevant member of school staff.
- A mutually convenient time should be made to talk to establish a solution.
- If you are not satisfied with the teacher's response and believe the issue is still outstanding, parents should contact the head of school or designated member of the SLT.
