

All about us – Lower Juniors

Class Teachers

Hello, my name is Miss White and I am a Lower Junior teacher at The Dawnay. My favourite lesson to teach is PE and I enjoy running clubs and taking teams to sporting events! I love reading and my favourite book of all time is Harry Potter, I have read it hundreds of times. When I am not at school, I am kept very busy with my many pets at home. I particularly enjoy riding my two horses, Elvis and Geoff.

Miss White - Hedgehogs

Hello, I'm Mrs Glancy and I am a Lower Junior teacher. My favourite lessons to teach are Maths and Art. I love reading at bedtime and my favourite book is Kensuke's Kingdom by Michael Morpurgo. I have one dog named Stanley and two cats named Ted and Tilly. When I'm not at school, I enjoy going on walks, cooking for my family and going to Zumba classes (now on Zoom in my Lounge!). I can't wait to hear all about you!

Mrs Glancy - Foxes

Hello, I'm Mrs White and I am a Lower Junior teacher. I enjoy teaching English and I love teaching times tables!

In my spare time I like to play tennis and bake cakes. I play the clarinet and my favourite book is The Twits.

I look forward to meeting you in September.

Mrs White - Otters

Hello, I'm Dr Boagey and I am a Lower Junior teacher. Apart from my two rescue cats – Badger and Snowdrop - my favourite animal is the gibbon. I love gibbons so much that I've adopted one called 'Paul'. Although I like insects and have 5 beehives in my garden, I'm not very good with spiders, especially if they are big, fat and hairy! My hobbies include hill walking (I've climbed Ben Nevis), baking, playing the piano and musical theatre. I can't wait to meet you in September and find out all about your likes, dislikes and amazing talents.
